**DECLARATION OF ALLISON FREDERICK
UNDER 37 C.F.R. § 1.47(a)**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Allison Frederick, declare and state the following:

1. I am currently employed as a paralegal by First Data Corporation, assignee of the above-referenced application.
2. The subject application was filed on April 16, 2004, with Steven L. VanFleet, John J. Mascavage, Matthew T. Byrne, Diane Wing, and Cassandra J. Mollett named as joint inventors.

PATENT

3. On 2/13/05, John J. Mascavage left the employment of assignee First Data Corporation.

4. In September 2004, assignee First Data Corporation became aware of the inadvertent omission of Blake Benton, Timothy Horton, Susan M. Nelson, SuZanne Rogers, Rhonda D. Sargent, Martin Stivers, and Gary J. Trainor as joint inventors of the subject application and began to take necessary steps to add Blake Benton, Timothy Horton, Susan M. Nelson, SuZanne Rogers, Rhonda D. Sargent, Martin Stivers, and Gary J. Trainor as inventors. In accordance with the requirements of 37 C.F.R. § 1.48(a)(3) concerning Requests to Correct Inventorship, I provided each inventor with a Supplemental Declaration under 37 C.F.R. § 1.63 for execution.

5. On February 13, 2005, I sent an e-mail to John J. Mascavage at the personal e-mail address he provided to me when he informed me he was leaving the employment of assignee First Data Corporation. The e-mail included the Supplemental Declaration for his review and signature. A copy of the e-mail is submitted herewith as Exhibit A. I did not receive a response to the e-mail from John J. Mascavage.

6. On March 2, 2005, I sent a follow-up e-mail to John J. Mascavage at the same e-mail address requesting review and signature of the Supplemental Declaration. A copy of the follow-up e-mail is submitted herewith as Exhibit B. I did not receive a response to the follow-up e-mail from John J. Mascavage.

7. On April 5, 2005, I sent a letter, via DHL, to John J. Mascavage at his last known home address (701 Harvard Road, San Mateo, CA 94402). The letter included the Supplemental Declaration for his review and signature. Copies of the letter and DHL slip are submitted herewith as Exhibit C.

PATENT

8. On April 15, 2005, the unopened DHL package addressed to John J. Mascavage was returned to me. I contacted DHL and they were unable to give me an explanation as to why the package was returned. I also went on the DHL website to review the history of the package and could not determine why the package was returned. A copy of the DHL website printout showing the history of the package is submitted herewith as Exhibit D.

9. On May 18, 2005, I re-sent the letter, via DHL, to John J. Mascavage at the same address. The package was again returned to me with a written note on the DHL slip which stated "Please forward, Not at this address, Return to Sender." Copies of the letter and DHL slip are submitted herewith as Exhibit E.

10. On June 1, 2005, I received a voicemail message from a woman who did not identify herself. She stated that John Mascavage no longer resided at 701 Harvard Road, San Mateo, CA 94402.

11. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and, further, that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-referenced application or any patent issuing thereon.

Subject Documents for your signature

Dear John,

Thank you for letting me know that you left and for providing a forwarding email. I am not sure what I will do without you and Margaret, you both have been so helpful to me, but I wish you the best of luck in your new endeavors.

I have a few things going on with your patent applications. As you are no longer with the company, I do not solicit advise on how to proceed with applications, but I will ask you to sign various documents as they come up. If we are able to keep in touch, then I will let you know when your applications issue as patents. This information is always good to include on a resume and to wow your friends.

As you know, we are in the process of formalizing the patent application entitled "Methods and Systems for Providing Guaranteed Merchant Transactions". Once we do so, I will send you the declaration and assignment for signature.

Now, I am enclosing 3 Supplemental Declarations. I've been asked to include Gary Trainor's group on these DDA Payment System applications. In order to complete the paperwork, I need all the original inventors to sign and date the Supplemental Declaration which lists all the inventors. Please execute these documents and fax them to me at 720.332.0518. As long as the fax is clean, I do not need the originals. The attachment indicates that it is for Margaret, but they are just misnamed.

Please note: It is really easy to overlook the space for the date on the Declaration. Please date under your signature.

Thank you for your time and best of luck to you.
